

Dear Friends of Washington Community Theatre,

The members of the Washington Community Theatre Board of Directors hope that this letter finds you and your family healthy and safe. Over the past 15 months, many people have had to face numerous challenges that they never thought they would experience in a lifetime. As board members, we never dreamed that we would need to cancel nearly 2 years of productions, thus resulting in a reduction of finances for WCT. As society cautiously begins to reopen, we are optimistically beginning to plan our Fall production of "Into the Woods". At this time, the Board has decided to suspend its current patron and advertising policies. Rather, we are asking those who have supported WCT in the past to please consider making a monetary donation to help defray the cost of producing this year's Fall show. Your tax deductible donation can be made in one of the following ways:

1. Make a direct donation to WCT by completing and returning the included form to WCT, PO Box 994, Washington, Pa. 15301. **(Please make check payable to WCT)**

2. Make a direct donation through WCCF's (*Washington Community Caring Foundation*) Day of Giving on **September 16, 2021**. This is a one day event where people can make a donation to a Washington County charity via www.wccfgives.org or by check. The foundation then increases each donation by a percentage of a \$100,000 bonus pool. A minimum donation to the foundation is \$25.

We realize that many people have endured personal, professional and financial hardships during this past year and a donation at this time may not be possible, however, WCT is grateful for the support you have given us in the past. We hope that a brighter future is on the horizon for everyone.

With much appreciation,

Washington Community Theatre Board of Directors
